

DCS Alemannia

Your vessel

The four decks on the DCS Alemannia have a friendly and welllit ambience. The restaurant and the panorama lounge with bar is located on the Panorama deck with a circumferential Promenade deck. A stairlift connects the Panorama deck and the upper deck. The sun deck offers sufficient seating, deck chairs and a heated pool to relax. Enjoy a great view, even in foul weather, on the after deck.

Restaurant/Life on board/Entertainment

Enjoy a culinary tour on board with delicious specialities in a comfortable atmosphere. Our crew and the DCS-cruise direction invite you to different theme nights and music programs. In the restaurant and the lounge with bar on the panorama deck you have a wonderful view through the large panorama windows. On the upper deck you can find the reception, bordshop, reading area with books, board games and card games.

Your cabin

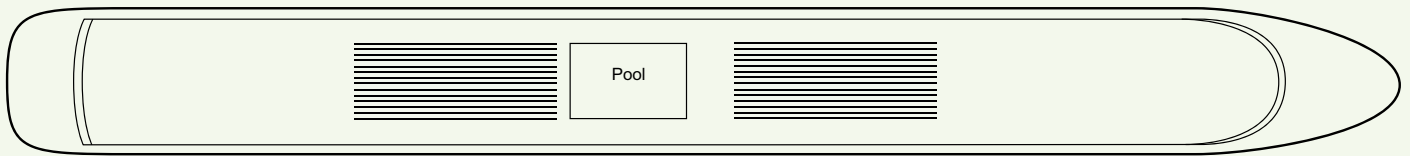

The comfortable cabins (12 m²) are equipped with two twin beds. The suites (24 m²) are provided with a double bed and minibar. All cabins are equipped with shower, toilet, television, central controlled aeration, telephone and hair-dryer. All cabins on the upper deck have large tiltable panoramic windows. 2-bed cabins can be partly used for triple occupancy and some have a connecting door.

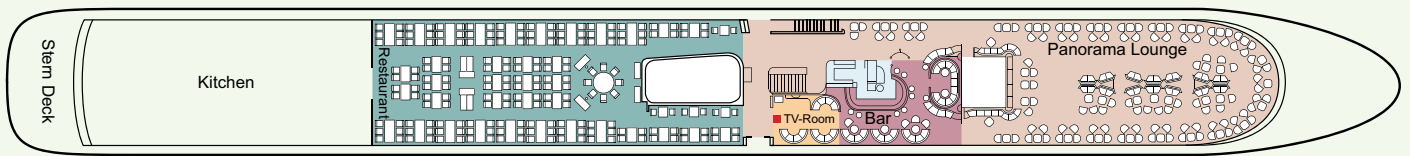

Your DCS cruise team

Our international crew and DCS cruise director are looking forward to welcome you aboard.
