

DCS Amethyst

Your vessel

The over 2 floors reaching and with a glass dome equipped atrium underlines the shining and well-lit ambience of DCS Amethyst. On the upper deck you will find the exclusive restaurant, as well as our café with library. Our sun deck offers you enough deck chairs to relax.

Restaurant/Life on board/Entertainment

The atmosphere on board is comfortable, casual and open-hearted. Our crew and the DCS-cruise direction invite you to different theme nights and music programs. Our chef de cuisine pampers you with delicious meals in our exclusive and elegant restaurant. Start the day with a great breakfast buffet, choose from a delicious selection of local specialities for lunch and dinner and finish the day with a decent drink in our charming bar.

Your cabin

The modern and comfortable cabins (15 m²) and suits (22 m²) with french balcony (at the upper and middle deck) are equipped with a double bed (can be set as twin beds), shower, toilet, television, radio, air conditioner (individual control), telephone, safe and hair-dryer. Enjoy the beautiful view over the passing river landscape.

Wellness and relaxation

Revitalize in the whirl pool or on the loungers in the wellness area and enjoy the magnificent view from the panoramic window. Free your mind in our sauna or steel your body in our fitness area.

Your DCS Cruise Team

Our international crew and DCS cruise director are looking forward to welcome you aboard.
