Advantages of RIT-Tickets:

- Germany-wide journeys (from all German train stations)
- No tie to a certain train*
- ICE-/EC-/IC-trains without surcharge*

We wish a seat reservation (max. 3 month before travel date, only available with tie to train connection):

large capacity section OR smaller cabin window seat OR aisle seat

Price each person, each train + train connection reservation 2nd. class starting at € 4,50* 1st. class starting at € 5,50*

* For certain routes/trains there is a requirement for a reservation. If necessary, additional charges are required .

After Payment you will receive your travel documents with a "Bahntix-Nummer".

Your Ticket is saved in the DB automat at the departure train station (automat can be switched to English)

Enter Bahntix number – print ticket – hop in your train and relax.

I hereby request the booking – for all individuals included on this document – of the selected train tickets. All services are subject to the general terms of DCS-Touristik GmbH to include the transport conditions of the transport carrier.
