Your vessel

The over 2 floors reaching and with a glass dome equipped atrium underlines the shining and well-lit ambience of DCS Amethyst. On the danube deck you will find the exclusive restaurant, as well as our café with library. Our sun deck offers you enough deck chairs to relax. Connection to the internet (with costs) on the whole ship.

Restaurant/Life on board/ Entertainment

The atmosphere on board is comfortable, casual and open-hearted. Our crew and the DCS-cruise direction invite you to different theme nights and music programs. Enjoy a culinary tour on board. Start the day with a great breakfast buffet, choose from a delicious selection of local specialities for lunch and dinner and finish the day with a decent drink in our charming bar.

Your cabin

The modern and comfortable cabins (15 square meters) and suits (22 square meters) with french balcony (at the Danube and Rhine deck) are equipped with two separated beds, shower, toilet, television, radio, air conditioner (individual control), telephone, safe and hair-dryer. At the Main deck it is not possible to open the windows. Enjoy the beautiful view over the passing river landscape.

Wellness and relaxation

Revitalize in the whirl pool or on one of the three loungers available in the wellness area and enjoy the magnificent view out the panoramic window. Free your mind in our sauna or steel your body in our fitness area.
